**CENTRE CUT RUMP** 7.5oz 13.50 / 10oz 18.00 / 15oz 24.00

**SIRLOIN** 7oz 17.00 / 12oz 25.50  
A firm favourite among steak fans who select this cut for the intense dry-aged beef flavour. A true classic, versatile enough to be served rare, medium or even well done

**CENTRE CUT-FILLET** 8oz 32.00  
This cut is from the laziest part of the cow, but when you are talking about finding the best quality beef, being lazy is a very good thing! Doing the least amount of work for the animal ensures that the resulting steak is extremely tender

**RIB EYE** 12oz 24.00  
This cut comes from the prime piece of the beast and is marbled with a central piece of fat which floods the steak with flavour. At its best when cooked medium

**T-BONE** 20oz 39.00
